

Champ Series Signup Instructions

Step 1: Determine if your child has any Reserve and/or Champ times. If you need help with this you can ask a board member.

If your child does not have a Reserve or Champ time for an event and is 12 years of age or younger he/she is eligible to swim that event in the Novice Meet. Children 13 years old or older automatically qualify for the event in the Reserve Meet if they do not have a Champ time in the event.

Step 2: Each child can swim a Maximum of 3 individual events throughout the series.

For example: If your child has 3 Champ times and he/she wants to swim those 3 events in the Champ meet he/she may not swim in the Novice or Reserve meet.

For example: If your child has 2 Reserve times and 2 Champ times he/she must choose only 1 event to swim in the Reserve Meet if he/she wants to swim the other 2 in the Champ Meet. If he/she swims the event at the Reserve Meet and qualifies for the Champ Meet in that event he/she will automatically be entered in that event at the Champ Meet and another \$3.00 fee will apply.
(You can always decline to be entered if you choose.)

For example: If your child has 2 Novice and 2 Reserve times he/she must choose either to swim 1 event in the Novice and 2 in the Reserve OR 2 at the Novice and 1 at the Reserve. Again, if they swim an event at the Novice and qualify for the Reserve or Champ meet in the event they will automatically be entered in the event and another \$3.00 fee will apply.
(You can always decline to be entered if you choose.)

Step3: Once you have decided which events your child is going to swim in which meet you need to fill out the Championship Series Signup Form, attach payment and turn it into the registration table.
